

# Windsor Door

America's Choice Since 1964

## 755 PREMIUM DOOR

The carriage choice for leading custom builders. The 755w offers two recessed carriage options to give a distinctive design profile that will truly enhance the curb appeal of any home. The 755w has multiple color, window, and insulation options.

# WINDSOR 755 Features

---

## Strong by Design

End and center stiles are constructed with galvanized steel, providing superior strength and resistance to rust corrosion.

## Protection from the Elements

Tongue and groove joint construction seals and aligns the sections providing a snug, weather-tight fit.

## Sturdy Tog-L-Loc™

This sturdy fastening system ensures leak-proof and rust-proof joints adding years to the life of the door.

## Keep the Outdoors Outside

The bulb-type vinyl bottom weather seal fits tight against the floor sealing out moisture, light, and energy leaks.

## Smooth Operation

Galvanized steel hinges and self-lubricating rollers are designed for long life and smooth, quiet operation.

## Beat the Hot and Cold

An optional CFC-FREE laid-in-place polystyrene foam insulation is bonded to a white vinyl interior to provide a 6.0 R-Value.

## DOOR PANELS

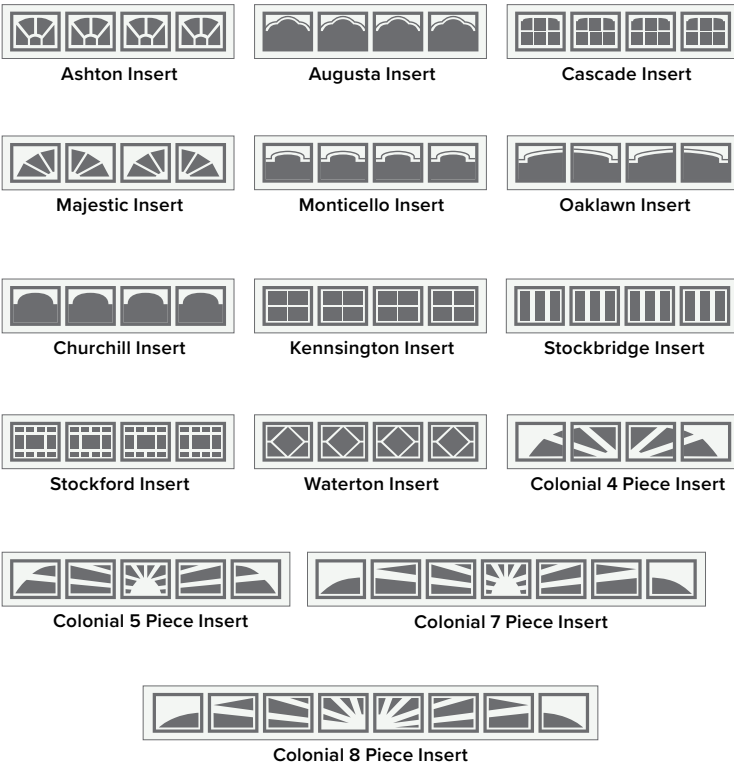

Recessed Long Carriage Panel

Recessed Short Carriage

## WINDOW INSERTS

### Standard Panels

## FINISH Actual color may vary

Optional decorative handles and strap hinges give the look of forged iron.
